I find Lynx the IceWing an interesting dragon, and I would like to see her as the main protagonist in this third arc. Just an idea rather than a question, but still.

Why do some posts take longer to appear/be accepted, while some appear almost instantly?

Mods, why have all of the forumers involved with the Cryingrabbit alts been permabanned? That seems a little harsh, the spam was for a day and then it went away.

@Katie
as far as i know, there isn't a rule against LGBTQ+. in fact, a large percentage of the community here is very accepting! if you ever need to talk, there are plenty of people willing to help you. :>

@snapple: I think I have a half-answer to your question. I've noticed when a post has no words underlined in red, it automatically goes through, but posts with words underlined in red don't automatically go through.
